

Key Priorities for 2025-2026

Primary and ELC

- Enhance the consistency and effectiveness of the teaching of reading across the whole school to improve pupil attainment in reading by 5% by June 2026
- Increase opportunities within all areas of the ELC for mathematics/Numeracy activities to be more visible. Increase ELC staff confidence in assessing and reporting on mathematics/numeracy.
- Increase confidence of all new and existing staff in promoting positive relationships across the school by June 2026.
